About Stewardship

What is Stewardship?

God has given each of us many gifts. Stewardship is our commitment to be grateful, responsible stewards of those gifts. How we use our gifts should reflect what is most important to us. Stewardship is part of our Christian responsibility and applies to money, time, talents, volunteer work – everything! Stewardship builds relationships with generosity.

What is a Pledge?

A pledge is a commitment to support God's work in this parish. This financial commitment supports our parish's mission and ministry for 2022. By pledging, you are investing in your spiritual home so that Christ Church may continue to welcome others in worship and fellowship and to serve South Amboy and surrounding communities. While your gift enriches worship and events on our grounds, your gift supports our mission in all directions.

How Much Do I Give?

Christ Church, like every other Episcopal Church, is a non-profit. Everything we do to serve our community is only possible because of the gifts we receive.

Deciding on the amount of your pledge starts with prayers of gratitude for all that God has given you. Your decision continues with prayer to God about the role of Christ Church in your life and how this community has shaped you. What are your hopes for Christ Church South Amboy?

Some consider their pledge a sacrificial offering, returning a percentage to God from what God has given. Your pledge should be a joyful reflection of God's generosity and grace at work in your life. Father George Karney always says, "Don't give until it hurts; give until it feels good!"

Our Promise to You

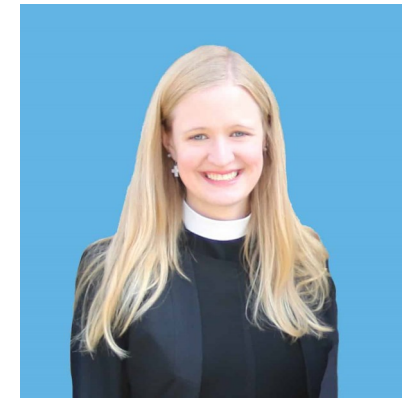

At Christ Church South Amboy, we aim to be the best stewards we can of every gift we receive, as we grow in faith together in Jesus' name.

Our 2022 Stewardship Campaign: Expanding Our Branches and Deepening Our Roots

As disciples, we're called to always stay grounded in our faith. At Christ Church, we support one another in growing in faith by expanding our branches and deepening our roots with God and with one another. We deepen our roots with God in worship and with each other in fellowship. We expand our branches when we share in worship, fellowship, and outreach in new ways – or by discovering a new perspective on the journey we've been on all along. This stewardship season, we're reflecting on the things that keep us deeply rooted in God at Christ Church South Amboy. We're looking to 2022 and wondering how we can expand our branches of mission and ministry together!
